# Terms of The Sale

READ CAREFULLY, THEY ARE DIFFERENT.

The terms of this sale are Cash on Delivery of lots. The Cataloger or the Auctioneers will execute bids for collectors unable to attend, and will make **no charge** for doing so, but will extend no credit. To Collectors who desire to have their lots sent to them before paying for them, it is suggested that they either send a remittance for an amount equal to 25% of their total bids, or send their bids to some dealer with whom they have established credit. The Morgenthau Co., being new in the Numismatic field, and not being familiar with the credit-worthiness of numerous bidders, will insist on all lots being paid for before removal, except in the case of recognized dealers, where the usual courtesy will be extended.

The Coins and Notes are fairly described. The usual practice of calling poor coins good, good coins fine, and fine coins uncirculated, has not been followed in this catalog. Defects on coins have been noted, even at the expense of making the description of a coin sound worse than it really is.

Each lot will be sold as cataloged at **so much for the lot**, regardless of how many pieces it may contain. We feel that the usual practice of bidding by the piece is merely a pitfall for the unwary.

The coins have been so divided that no lot is worth less than \$1. and no bids of less than \$1. will be entertained for any lot.

The lots may be seen in the office of J. C. Morgenthau & Co. three days before the sale and will be on exhibition the morning of the sale from 10 a. m. to 1 p. m. No lots will be shown during the sale.

The sale will be in charge of Mr. Walter S. Scott, well-known to most Coin and Stamp buyers, and his decision in any dispute will be final.
